THE BOOK OF EVERYTHING

A co-production with Company B Belvoir

This wonderful, heartwarming and funny story follows 9yo Thomas's journey to achieving his greatest wish "*When I grow up, I'm going to be happy*". This is a great family show for the Summer Holidays. The season runs from 23rd of December to 31 January and suits ages 8 to 108 years!

Special Tol Opening Show & Party Sunday 27th December at 5pm

SAVE \$22 per adult ticket (full adult price \$56, children 14 yrs & under \$22)

See the show and meet the cast at the aftershow party. In the tradition of Tol family openings, Sweet Art will create a special *Book of Everything* cake. This year our new co-Ambassador, actress Miranda Otto, will join Hugo Weaving to cut the cake and feed the excited troops.

Call Belvoir St Box Office on 9699-3444 and say the magic words "*I'm going to be happy*" to secure your seats for the special opening. Be quick - only 100 seats available.

If you miss out the same savings apply to previews on 23 & 29 December - but without the party. But don't delay as many seats have already been sold to Company B subscribers.

For more information on **THE BOOK OF EVERYTHING** see the enclosed postcard or go to our website. NB *The Book of Everything* is based on the book of the same name by Guss Kuijer and is available from Dymocks City Store and all good booksellers.
